

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

DAWSON'S BIRDS OF OHIO

Profusely illustrated, 80 full-page colored pictures, 200 original half-tones. 720 quarto pages. 322 birds accurately described, their habits interestingly given. Combines ready identification keys with adequate descriptions of habits as well as plumage and form. Far and away the best bird book of its kind. Send to-day for descriptive and sample pages and illustrations to WILSON BULLETIN, Oberlin, Ohio.

A REVISED CATALOGUE OF THE BIRDS OF OHIO.

BY LYND'S JONES

This annotated catalogue of 241 pages is without illustrations, except a map of Ohio. In it the feeding habits, migrations and distribution of the birds of Ohio are treated. It does not attempt a description of the plumage. Price is 50 cents. Address Lynds Jones, Oberlin, Ohio.

FOR SUMMER READING

The Nature Library

has exceptional charm and value

IS it a pleasant hour with Nature you wish? Or would you confirm a recollection of some point brought up during a recent outing, identify a species, or put your finger on some fugitive fact in Nature? These are but a few of the many uses the books have aside from their principal value as a complete guide to the study of American Natural History, and their attractiveness as entertaining reading.

ARE there little ones growing up about you? Think what it means to a child to have at hand books which attract the interest to subjects sure to result in health and satisfaction all through life.

THE long out-door season will mean much more to you and to the youngsters if these beautiful volumes are at hand for counsel and entertainment. All the year they keep the country in the home, and all that is best and most attractive in Nature is ever before you.

"As necessary as a dictionary, but far more interesting"

TEN SUPERB LARGE VOLUMES

4,000 pages, 10¼ x 7¾ inches; 300 plates in full colors; 450 half tone photographs; 1,500 other illustrations, and a *General Introduction by John Burroughs*

You will incur no obligation and and you will become informed about a most notable work by sending to us the coupon below.
